General Brochure

GIFT University was established in 2002 with the vision to bring about a visible change in the society by offering quality education to the youth of the Gujranwala division and also to become a leading educational institute of the region.

The best modern campus spanning over an area of 320 kanals, the highest number of degree programs, the highest number of international linkages & opportunities for credit hours transfer to foreign universities and growing demand of GIFT graduates in leading national & multinational companies makes GIFT University the best place to build your future careers. GIFT University maintains a close liaison with the industry, including the Gujranwala Chamber of Commerce and Industry, Gujranwala Business Centre, Federation of Pakistan Chambers of Commerce and Industry, SMEDA, NPO, and a number of other organizations to provide practical experience to its graduates.

GIFT University, with a mission to ensure international quality education to the youth of this region, has provided them with modern world facilities, internationally experienced faculty, and the best infrastructure to maintain the quality of education.

Why GIFT University?

Highly qualified faculty, large number of scholarships and state of the art infrastructure makes GIFT University a perfect choice.

Student Exchange Programs

Corporate & International Relations Office (CIRO)

To bring about a change in society by becoming a leading educational and research institution that utilizes the latest technology and provides intellectually stimulating, professionally relevant, progressive, and innovative education that is consistent with our national values and is accessible to all.

The main agenda of CIRO is:

1. Faculty and Student Exchange Program
2. Progression of Associate Degree Graduates into the BS Program
3. Recruitment of Undergraduates in Postgraduate
4. Placement of Faculty and MS/MPhil Graduates in the Ph.D. Program
5. Scholarship Hunting for Employees and Students
6. Arranging Corporate Internships for Students in the USA, UK, Australia, Russia, Turkey, Malaysia, Indonesia, and the Middle East

International Linkages and Collaborations

University with the most Global UGRAD Scholars in the Region

GIFT Students making Inroads into Top Ranked International Universities

GIFT University, the only international University in the region, promotes its students to pursue their education at the international level. The University provides multiple opportunities to its students to push further their educational spirit at the global level. As a result, GIFT students have been able to secure admissions in various universities around the world.

Over the years, GIFT University students have been placed in prestigious universities such as:

- University of Hertfordshire, UK
- University of Dundee, UK
- The University of Greenwich, UK
- Coventry University, UK
- Birmingham City University, UK
- The University of Waterloo, Canada

With students promoted at these educational institutions and many others, aspiring to explore what other universities have to offer in terms of unique educational experiences, GIFT students are making their mark on the global education map and making their way into international universities.

With the aim of students' development at the international levels, Corporate & International Relation Office (CIRO) has designed a blended International Internship program where students from GIFT University, in collaboration with Student Development Centre (SDC) and Corporate Relations Department (CRD), are engaged with the partner International Universities for their Social Work Internship, Corporate Internship and Professional Development Program.

The main objectives of this program are:

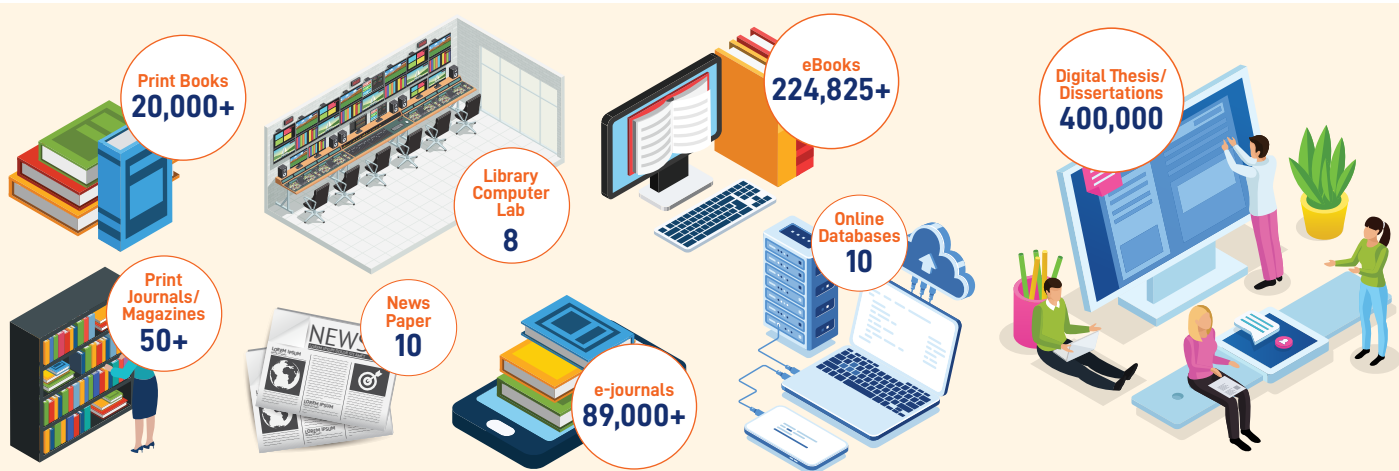

- Corporate Internship
- Technical Internship
- Social Work Internship
- Semester Exchange Program

Academic Block III (For Females only)

GIFT University is proud to announce Academic Block III specifically for female students. GIFT University is the only university in the region that has a separate facility for female students who do not want to study in the co-education system. The Academic Block III contains modern facilities such as photocopy and printing facilities, coffee shops, internet facility, etc.

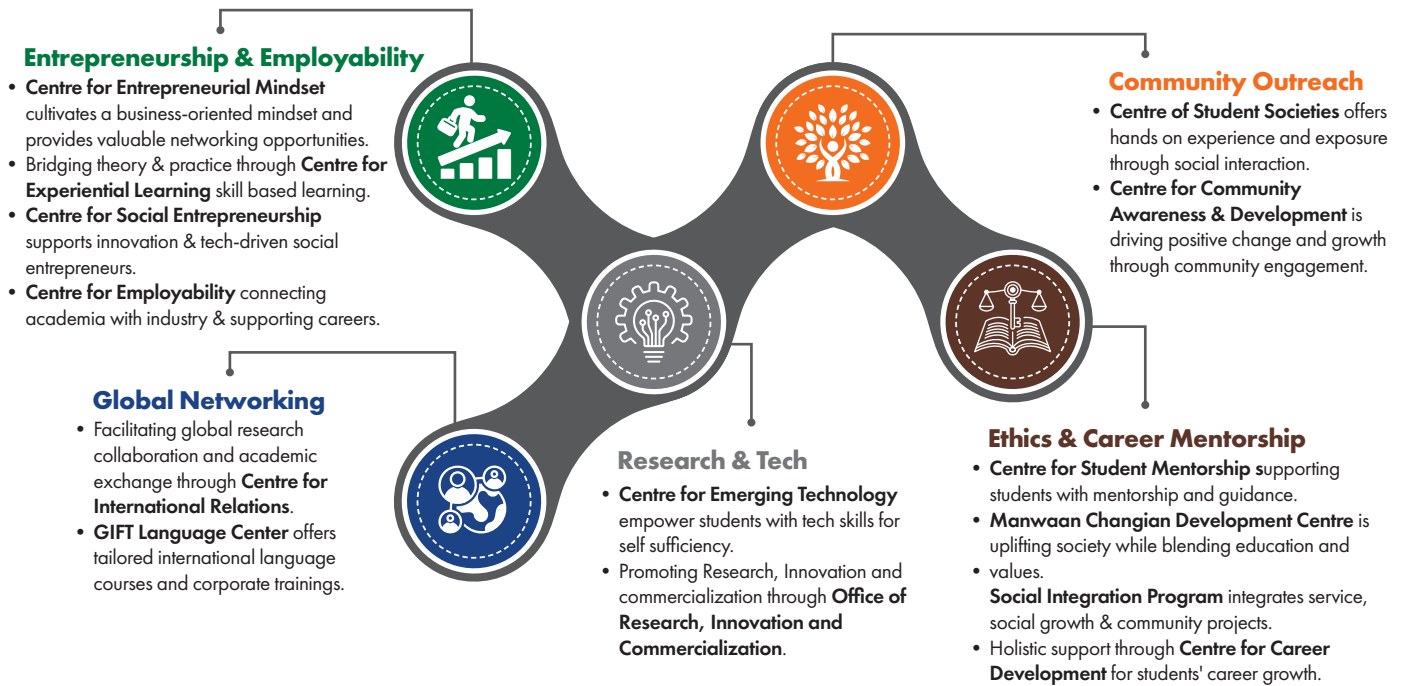

Fully Equipped Hi-tech Library

Converting Knowledge into Practical Experience

GIFT University is an entrepreneurial institution dedicated to socio-economic development, impactful community services and positive change in society. GIFT has established various specialized centers to achieve our vision and mission by providing ethical values, practical experiences, entrepreneurial mindset and promoting experiential learning.
